THE ONLY
THING I
WANT IS
A BOY-FRIEND

THE ONLY
THING I
WANT IS
A BOY-FRIEND

"TADPO"

THE

OTHER
THING
IS

"IT'S

DID YOU
DECIDE
WHAT TO
WISH YET?

TATTOO?

I
DIDN'T
GET ANY
SLEEP
LAST
NIGHT

YAAAAH
TAKKO!

YOU
BASTARD
!!

I WAS IN
TAKKO'S BACK-
PACK. I THOUGHT
IT WAS GOING
TO CRUSH ME
FLAT.

CHIEF OF THE BACKPACK

SORRY, I
THOUGHT YOU
WERE THAT
GUY AMERICA

AS SOON
AS WE GOT
TO SCHOOL
HE LOOKED
ME IN THIS
TINY DARK
ROOM

THAT BASTARD
IS TOO MUCH !!

WALKING
TO SCHOOL

THIS IS
ALL...

I'M SO SORRY YOU
HAD TO BE LOCKED
IN THIS ROOM, YOUR
HIGHNESS!

THE STUDENT
COUNCIL'S
FAULT!

THAT
DAMN
STUDENT
COUNCIL!

WHAT'S
NEXT
MONTH?

WE'LL
SEE WHAT
HAPPENS
NEXT
MONTH!

THE CU-
LTURAL
FESTIVAL!

IF YOU GET THE
MOST VOTES
AT THE FESTE-
VAL, YOUR
SCORE
IS UNDISPUTA-
BLE!

WHEN WE BECOME
AN OFFICIAL CLUB
THEN...

SINCE THE
WEATHER IS
DECIDED BY
THE MOVER
OF THE
FORESTS

IS THE CU-
LTURAL FESTE-
VAL REALLY
IMPOR-
TANT?

THIS IS
A CONTEST
THE STUDENTS
CAN'T FIGHT
WITH EACH
OTHER
OVER

AH!

HAGURU!

OH
YOU'VE BEEN
IN HERE THE
WHOLE
TIME?

THEN WE'LL
COLLECT
MEMBER FEES!

UNDER-
STAND?

TAKEO
WHAT ARE
YOU DOING?

THE STUDENT
COUNCIL IS
CALLING FOR
YOU OVER THE
SPEAKER.

HEY!
TAKEO!

AHH

ABOUT THE
CULTURAL FESTIVAL!

MAYBE THE
APPLICATION I

TEAM

HE'S CLUB-
CRAZY.

OH THAT'S
RIGHT. EACH-ONE
IS A MEMBER OF
A LOT OF CLUBS.

CLUB-
CRAZY?

NO

HE MUST BE IN
ABOUT TEN
CLUBS

學生會室

GMP

NOT APPROVED FOR
THE FAIR? WHY
NOT?

WHAT DID YOU
SAY?

WE WON'T BE
LIGHTING ANY
FIRES!

AND SCHOOL
POLICY FORBIDS
THE LIGHTING OF
FIRES

BECAUSE YOUR
UNOFFICIAL TEA
CLUB IS GOING TO
HAVE A TEA STAND.

BUT
FINDING
A PLACE FOR
YOUR STAND
IS ALSO
DIFFICULT.

A LOT OF
CLUBS HAVE
FOOD STANDS
THIS YEAR.
MUCH MORE
THAN LAST
YEAR.

WE'RE
GOING
TO USE
ELECTRIC
WATER
HEATERS
TO BOIL
THE
WATER.

AND FOR
THE TEA
DESSERTS
WE'LL BE
MAKING
CAKE AND
BISCUITS.

YOU'RE NOT
LETTING US
ENTER
BECAUSE—

WE'RE ONLY A
SMALL UNOFFI-
CIAL CLUB?

YOU JUST LET
THE BIGGER CLUBS
PICK THEIR PLACES
FIRST?

THEN...

I
IF I FIND A
PLACE FOR US TO
PUT OUR STAND
WE CAN PART-
PART-

IF WE
CAN JUST
FIND A
PLACE,

IF YOU
NEED US
TO GIVE
YOU A
REASON
THEN THAT
THE WAY
IT IS

BUT
THAT'S
JUST HOW
THINGS
WORK

YOU'LL LET US
HAVE OUR
STAND?

FIRST
FIND A
PLACE
AND
WE'LL
SEE

PLEASE
COME
IN.

PRES-
IDENT

PRES.

THANK
YOU.

SEEK A NEW
ONE

I GUESS THE
RUMOR IS TRUE!
THE STUDENT
COUNCIL WANTS
TO SAVE MONEY BY
GETTING RID OF
THE SMALLER
CLUBS!

#3-3

WHAT
KIND OF GAME
ARE THEY
PLAYING?

DAMN I'M SO
HAD AT THAT
GUY!

IF WE JUST
LOOK WE'LL
FIND SOME-
THING!

STARTING TODAY?
IT WON'T MORE.
THERE'S LESS
THAN A MONTH
LEFT!

LET
THEM
JUST
WAIT AND
SEE! I
WILL FIND
A PLACE
FOR OUR
STAND!

HARUKA,
WE'LL GO
LOOK
TOGETHER
AFTER
SCHOOL!

"HUP"
HUP?

WE'RE ONLY ASKING FOR ONE DAY. THE GUESTS ARE COMING TO LOOK AT THE STANDS ON SATURDAY, RIGHT? ONE DAY AND WE'RE DONE!

HUH? YOU WANT TO BORROW OUR CLASS-ROOM?

NO WAY! WE'RE GOING TO HAVE A COFFEE SHOP HERE FOR THE THREE DAY FESTIVAL!

LET
ME GO

SO SHE
CREATED THIS
LITTLE TEA
CLUB.

TAIKO'S
FATHER
PASSED
AWAY IN A
CAR ACCI-

I KNOW A
PLACE WHERE
YOU CAN HAVE
YOUR STAND

CALM
DOWN A
LITTLE

TAIKO!

BECAUSE
THE
GARDEN
CLUB ONLY
HAS ONE
MEMBER

IT'S ONLY THE
SECOND YEAR
HIGH
SCHOOLER
UPPERCLASS-
MAN OOSAWA
MIDORI

WHY AREN'T
THEY PAR-
TICIPATING
IN THE FES-
TIVAL?

IT
SHOULD
BELONG
TO THEM

BUT THEY
WOULDN'T
KNOW IT
SINCE THE
GARDEN
CLUB ISN'T
GOING TO
PARTICIPATE
IN THE FES-
TIVAL YET

THAT'S
GREAT!

HARUKA WHAT
CLASS IS UP-
PER-
CLASSMAN
OOSAWA IN?

I'M GOING
TO GO TALK
TO HER AND
ASK FOR HER
MISSION TO
USE THIS
PLACE!

AND
I THINK
SHE'S IN

此外，在 1992 年，國際郵政局，對港之外匯比較低的地方（不是通關的地方，因為郵局自己也有），派過郵船，平匯或「小平」還有時間，後來就的地方是郵局自己，留郵局。（郵政局對郵船先照便，也不是特別難）這可說是個不平權。

Sure

Okay

Please
do.

紅茶王子

What did sempai say yesterday?

DO KIN

Did they steep too long?

But I only put in 4 tsp.

Did I use too many leaves?

I thought
that the
leaves in this
can were big,
but...

But I've
never
looked at
them
closely
before

DO

DO

I'll use the
same amount,
but a shorter
time

DO

Ahh,
is it changing
color..?

And kind
of gritty

It is
bitter

I'll
stir it

The
color
looks
good

Oh, oh,
oh, oh,

Boo
ho
ho

No

No

No
more

I am
I am

Are you
going to
the club room
this morning
again?

So-then
you are also
forgetting
getting a
seat to try.

And after
school,
Hanaka-

Ah

//

Yesterdays

I don't
get it

Wah

Wah

Wah

W-
What!?

Yeah

Toko-chan
went to
the
kitchenette
to make
tea.

Just
you
Someya?

Couldn't
she make
it herself?

All you
need to
do
is
water

But the amount of leaves isn't really decided, it all depends on your tastes

I always
I don't
repeat

With tea,
2 and a half?
cups is one
person's share

It's meant
for
one person.

So like I
said yesterday,
it would take
2 tsp. of leaves.

Both
times I made
it before
it only took
two minutes
and was
bitter...

Is it okay
to let it
sit for four
minutes?

Hm?

Now we
wait for
four minutes.

Okay

The
color won't
come out
either.

That's
probably
because only
the bitterness
came out

If all the
flowers don't
come out, then
it'll just be bitter
and unsatisfying.

So when
you drank it,
it was gritty,
wasn't it.

Yes.

But
when I
stirred it
the color
came
out.

What?

You
stirred
it?

How
many
times?

About
five... or
six times.

And if
you take
off the
cover,
the scent
will escape.

If you
stir it the
leaves will
break and
come out
even if you
use a
strainer.

Swirl
the pot
gently
and
horizontally.

You
might
have seen
someone
do this
before
you pour it.

And the
leaves
sift down.

Okay,
Taka.

Like
that.

So you
have to be
in rhythm
with them.

The leaves
all dance
round and round
in the pot.

Ephemeral Dreams

But don't
surprise
the
leaves

slip

Just
like
that

I can't
do it like
you,
Toko-senpai.

I'm
too dumb...

I can't

Why aren't
you?

not
me to
explain
again?

I'm no
genius.

You just
have to make
it with
respect to
make it delicious.

Genius
has nothing
to do with it.

Warm
the pot
slowly

When you
pour it,
make it
gentle and slow

Sleep
it slowly

Tako-sempai

When you
make tea for
someone important
you don't want
to rush it.

Slowly
and with
respect.

That's right,
that's
what you
want.

Oh
her.

Is a
wonderful
person

The first
time you put the
water on
and the
kettle

Her
hands are
shaking.

Let's start
with the
water

THE STORM OF SPRING

THE STORM OF SPRING

Illustrations of walking represent the first set of walking paper. Illustrations of standing represent the second set of standing paper.

What's that about?

10/10/10

Why is it being

Because

Aren't these
important to

MOMO

And we put
up posters
everyday

Interest clubs

Actually, before
we can put up
these posters,
they have to be
approved first

Ah...

I wonder how
Tatiko-san's

It's so
messy.
There's no
progress
at all!

Stop
talking to
me! I'll get
distracted!

You all just have to ask me or Earl Grey. I can guarantee that your club will have 10 or 20 new recruits!

An, right, at this moment, why not make a wish?

As long as it's something to do with the club, I'll never use magic!

Oh I've said it many times.

The only thing you could do now is to stop disturbing me and just stand there!

President... who's that guy just now?

You mean Uchiyama Haruka?

He's not easy to mess with.

But his knowledge is very useful, that's why I get close to him.

Oh...

That guy's club

has been approved?

Just by looking, is it possible to tell which ones are approved and which aren't?

It's possible, possible!

Those that are approved have the student council's stamp.

Oh?

If it doesn't have this, it's not approved and will be torn down.

Are these the only ones confiscated?

That I don't know.

Then...
What's going on?

Those are the only posters without a stamp...

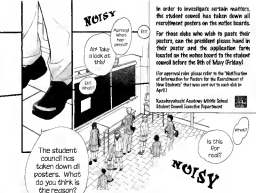

Did you check them all properly?

Yes, please to let me know.

Yes, we did.

In order to investigate certain matters, the student council has taken down all reposted posters on the notice boards.

For those clubs who wish to paste their posters, can the president please hand in their poster and the application form located on the notice board to the student council before the 8th of May (Friday).

Our approval rule please refer to the "Noticeboard of Information for Posters for the Examination of New Students" that was sent out to each club in April.

Smack!

Yoshioka, you...? I thought you were going to quit that series.

Ah ———! I've dropped to zero!!

Fake stamp?

Have you guys seen the newly approved posters? They're stamped incorrectly.

Of course, the student council wants to catch the culprit.

It's very obvious with this action.

Catch... but how?

They're all from the execution unit.

Eh?

And then!

Eh?

There.

Anyways, if the guy who misuses the stamp appears, he'll be caught right on the spot?

Please
don't use
the fake
stamp!

the
culprits
will be
severely
punished.
They might
even get
suspended
...

As long as it's
something to
do with the
forgeries,

The president
is extremely
angry about
this matter...

Ah...

I'm in the
execution
unit, I have

so please
be careful

So...

Ah,
coming...

That fake
girl is in the
student
council?

And we
will hear...

Er? Quick,
quick! Hurry
up, hurry up!

Don't
rush! We'll
be seen!

Obviously
they're
talking about
something they don't
want
overheard.

If we get
any closer
we'll be
seen.

Ugh...

I can't
hear them.

It's more
difficult to
get closer.

Why are
they
standing at
the balcony,
which is such
an open
place?

Look
and
listen.

Listen and
listen to
me.

They're as good as people walking.

Didn't
I say?

That's your
own problem,
right?

Then I'll
sorry,
guys.

Er?

*Of course
not, but...*

*Right, I don't
suppose
you've sold
us out?*

*You didn't?
That's good.
Right, I've got
good news to
tell you!*

Eh...

*Earl Grey,
you're great!*

Oh!

*Ah, I can
hear
them!*

What?

*No...
no need - I
don't have that
much money! I
also don't want to
be involved with
this anymore!*

I see...

*Then
what I've
just said
shouldn't
be leaked
out!*

*They
even
want
money!*

*this time we only
need ten thousand
Yen...?*

*The new
president
stamp.*

Ok, I'll follow him!

Ah, they're gone, gone!

Yukiko, Taiko, go catch that stupid Sugino-kun!

...

Carl Gray and Asami follow me.

I'm so angry!

Don't think of telling the student council!

Or else you'll be pulled down too.

I'll never forgive him!

Lying to Sugino-kun who simply wants to get his club approved. Using that to get his money...

TSP: 5 Spring's Stormy End

End of Book Extra Manga

Regarding Taka's Clan
[The Way to Brew Delicious Red Tea]

Takemata's family manga is stopping again.

Sorry

I would like to explain the way I make my tea.

These members...

It's not boiling red tea!

1. Boil water

Tap water straight from the tap is the best kind.

For the same reason, water that's been boiled or left under 'keep warm' mode doesn't have air into it, and that isn't used to make tea.

If there's no air mixed into the tap or mineral water, the tea leaves won't be able to do their dance well.

First, bring the water to boil.

When making tea in our club room, tap water from a hot water flask, hot water in keep warm mode, there's usually a lack of air, so it's only useful when...

But it's a good idea to use...

The trick is not to let the water sit under 'keep warm' mode. It's better to use tap water.

If you use hot water, you must give it a good shake first to mix the air in with the water.

If you want to use mineral water to make red tea, you must choose water that has the lowest hardness. I forget Takemata is a supporter for natural tap water!

I am a citizen of Takemata

Episodic Manga

2. Warm the teapot

Instead of saying that warming the teapot is to drink hot real tea!

It's more correct to say that (heating the teapot before and after tea makes it do their dance well) which is more important.

Even if someone says (I am afraid of getting scalded) please still somewhat heat up the teapot.

The teapot must be warm or that brings water can be immediately poured in.

(The way the water isn't too fast.)

The kettle tends to heat the water.

The teapot is the first.

When the water's boiling, pour it as fast as possible into the teapot.

Since the kettle will quickly be put back on the stove, the gas can be left burning.

The teapot is very hot, so please be careful.

3. Measuring tea leaves

If you use bubbles the size of a 50 cent coin, pour the water away from the teapot, and gently wipe the side of the teapot with a cloth.

If you think that the water's boiling, then open the lid of the kettle and check.

About the amount of tea leaves,

In the beginning, I use a little less than the amount of leaves recommended on the can.

If it says to use one table spoon, I will only use about half that.

Put the teapot on a heat resistant pad or a small cloth mat, then add the tea leaves.

If you don't put it on the mat, the bottom of the teapot will get dark, very quickly.

If you don't put it on the mat, the bottom of the teapot will get dark, very quickly.

5. Brewing

If the leaves are damaged, the tea will be bitter.

Father used to say that tea leaves are dancing.

After you stir the water, the real tea leaves will first float up then sink to the bottom while brewing.

If you don't heat a teapot enough, just use a bowl to wrap it up.

This is the correct brewing (steeping) time, a 10-second.

You can clearly see this up and down movement about water's gullies flow, or before you.

People who pour the tea before it's finished steeping thinking it will be less bitter should not, because the tea will be more bitter if they pour it before it's done.

Put the filter in a hot cup and pour the tea through.

If you don't know it well, red tea will only be bitter, so those who don't like thick tea with a bitter taste will need to be careful.

For brewing, use the recommendations on the tin. If nothing's said, try about 4-5 minutes.

Put leaves in a teapot, then

pour water over them.

I can't wait at all and the water will be cold, so you can't drink it.

After some practice you'll master the technique for your own favourite taste.

Let's drink a delicious cup of red tea!

Those who like their tea cold can choose to use less tea leaves and let it brew for a longer period.

I built this recommendation for making red tea, although for the best or best served method. If you have your own method to make delicious red tea, please send it along to the magazine, Arima Yumiko.
